Re: First Request for Information Pursuant to § 104 of CERCLA for the Vasquez
Boulevard/I-70 Site, Denver, Colorado

Dear Ms. Tesorero:

On behalf of Pepsi Bottling Group, the attached information is intended to supplement my client's preliminary response dated April 6, 2001, and the response dated May 4, 2001. Specifically, we have attached hereto as Attachment 1: Exhibits 6.d-2 through 6.d-5 to the Response dated May 4, 2001. These Exhibits are responsive to Question 6 of the above-referenced information request.

Exhibit 6.d-2 Construction drawings for a parking lot and loading dock in the North Court parking lot at my client's facility at 3801 Brighton Boulevard.

Exhibit 6.d-3 Construction drawings for a shed in the fueling area of the Brighton Boulevard facility.

Exhibit 6.d-4 Drawings for a fueling facility that was constructed in 1977, prior to my client's operations at the facility. As noted in my client's earlier response, these facilities were removed in approximately 1998.

Exhibit 6.d-5 Drawings for the fueling facility installed in 1998.

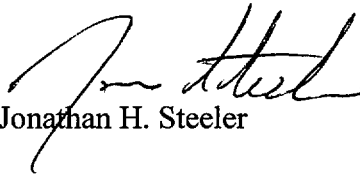

Attachment 2 hereto is a certification relating to the foregoing Exhibits.
